(For immediate release)

CNN to Broadcast Guam TV Commercial

(Tuesday, January 20, 2009; Tumon, Guam) As reported last week, CNN International will air a commercial promoting Guam titled "Visit Guam." GVB was notified this week that CNN has added an additional 10 airings of the commercial.

The commercial schedule was provided to GVB at no cost, in response to a complaint made to CNN over a news report in which footage of Yap was misidentified as being Guam.

The TV commercials will air for one week, beginning yesterday, January 19 through the 25th. The revised schedule below indicates the times when the commercial will air on Guam. Please note these times are tentative and subject to change due to breaking news stories covered by CNN.
